

**Theatre Gargantua is accepting submissions for Theatre Creators' Reserve grants through the Ontario Arts Council.**

All potential applicants should visit the OAC website for information on eligibility and application guidelines, as well as the application form.

**Granting Criteria:**

Our additional granting criteria have been determined in keeping with our own mandate to develop new works with a multi-disciplinary focus. Priority will be given to projects which integrate multiple art forms in a theatrical context, and/or which are adventurous in integrating artists working in new or emerging disciplines and/or which are pushing the boundaries of established media and disciplines. Please note that requests must not exceed \$4,000.

**Application Guidelines:**

Please submit three (3) copies of the following materials:

- A brief descriptive outline of the proposed project that indicates the focus or intent of the work and its multi-disciplinary components.
- An outline of the anticipated development process.
- An outline of how the requested funding will be used.
- A list of project participants with a summary of each individual's prior experience and/or training.
- Optional support material: writing samples (of not more than 10 pages), visual images (up to 6), sound recordings and/or new media samples (of 10 minutes or less, combined), reviews or press clippings (up to 3) and letters of recommendation (up to 2).
- One copy of the OAC application form
- One self-addressed stamped envelope.

**Please send applications to:**
